The 1998-1999 yearbook theme, "That's A Wrap" is intended to create a SPOTLIGHT for everyone to share in this moment of time.

REELING through memories that this past year has brought us all; our DIRECTION has been to CLIP pieces of our Mariner life that will touch our hearts again and again!!

As the DIRECTORS, we take this keepsake of shared treasured moments, and FOCUS on the future with the strength and ambition we have found in our youth....

Years from now we will no longer be DIRECTORS, but the AUDIENCE, VIEWING our own youth. We hope you will find these CLIPPINGS contain the past that we all held dear.

# Mythology Takes Center...

## Homecoming

To many, Homecoming is a time of fun, spirit, dressing up, and having even more fun.

Well, that is exactly what happened!

When everyone walked into the school they were transported to Ancient Greece where all was just fun and games!

Now that Homecoming is over with we will always remember the decorations, people, and our court!

Since this years theme was Mythology our court was treated like Gods and Goddesses.

The court was great and so was the dance!

At the annual Powder Puff Game on October 28, the seniors took the win over the Juniors. Both Teams were excited about the game and played well. They showed there spirit well whether it was by painting there faces or by there grand entrances. The final score of the game was Seniors 14 and Juniors 7. Following the game was the Bonfire where all players and spectators gather to celebrate. Everyone had a good time!

# GREEK MYTHOLOGY

Homecoming

This years homecoming assembly was a great way to start out the year and welcome under classmen. WOW did we have FUN! The fun began with spirit week and the games at lunch. During the assembly is when it all comes down to the most spirited class. After we crowned our King Erik Ketcham, Queen Lindsay Wambach, and her court, the true fun started.

We played games such as tug-of-war, toilet paper roll, hula-hoop, and the football pass. Over all the **SENIORS** won spirit week this year. Our Queen Lindsay ended the assembly with wishing the football captains, Sigh Kadouh, Justin Stover, Ryan Malarny, and Keith Zimmerman with good luck hugs. At the end of the assembly everyone was excited to get to the game and the dance on Saturday.

# LOOK AT ALL THAT

# SPRING

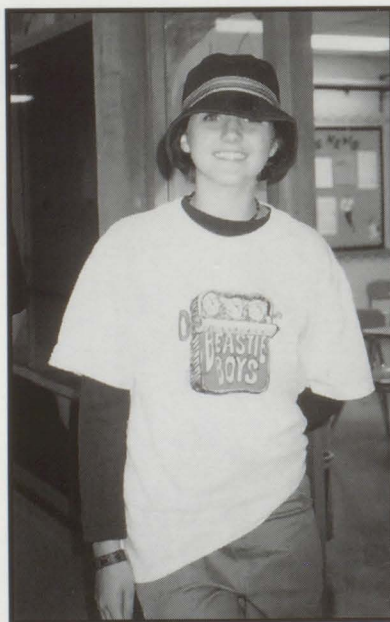

Spirit week is a very busy time for many students and teachers. It is the week when the classes compete to show which grade is the most spirited. Students show off their spirit by participating in the different spirit days. This year Monday was college sweatshirt or tee shirt day, Tuesday was hat day, Wednesday was slipper day, Thursday was class colors/senior toga day, and Friday was orange and black day. The grades also can gain

points at the pep assembly on Friday by participating in the games. Another big part of spirit week is float building. This is when each class competes by working all homecoming week on building their float on their own time. All the floats get to be in the parade on Friday, then later on that night they are judged at the Football Game. This year the winning float was the Juniors. ## Leading The Coming Attractions

## Homecoming Game

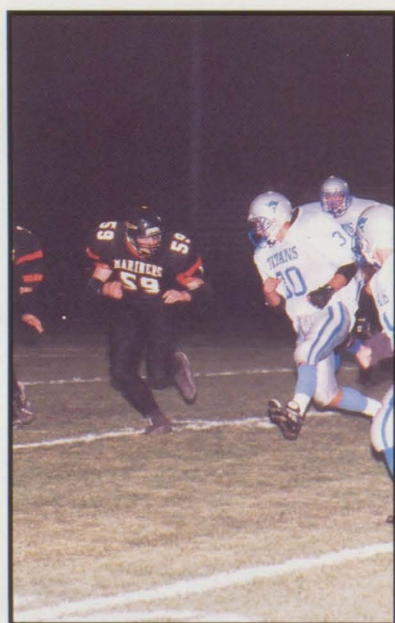

This years Varsity Football team dominated the field once again at the annual homecoming game. The Mighty Mariners defeated Warren Woods Tower with a score of 25-10.

The defense was lead by outstanding players like Sign Kadouh, Brian Perkins, Jason Daniels, Brian Streitz, and Ryan Malarney.

Offense also fought a hard battle with both Ryan Moody and Bill Scott scoring two touchdowns apiece. Jim McNally also assisted the team by completing 8 passes and receptions were made by Aaron Beck, Jeremy Endres and Ryan Moody. This was a hard fought victory for a well deserving team.

## The Junior Class Float

The hard workers of the junior class take a break for a quick picture!

Congratulations! Junior class your hard work and dedication paid off very well. Thanks to your time and effort you have concord all and taken the first place finish. The theme for the float was "MC stomps to victory with Nike." A strong theme allowed the class of 2000 to win first place! A big thanks goes out to all the parents who dedicated there time and of course a thanks to all the juniors.

## 2nd Place Float

"Zeus"

The seniors put forth a good effort with this years float building. It was enjoyable for all those who participated. Their theme of Zeus won them second place. Through a lot of hard work at Marlarney's house they were able to produce an outstanding float for this year's Homecoming. Many worked hard each day to help create this year's float. Congratulations to the senior class!!

# Odysseus and Medusa

3rd and 4th place floats.

The sophomores finished float.

This year was the Sophomores second attempt at float building. They came away with third place honors. Many hours and hard work went into making this years float. The theme was "Odysseus leads the Mariners to victory".

Everyone had fun working on the float and can't wait to make next years. First time float builders the freshmen took fourth place, the theme "Medusa vaporizes the Titans". A fun time was had by all.

Say chesse girls.

The 1998 Homecoming Dance was an awesome experience for all who went. The theme this year was Mythology, with the spirit carrying over from crushing the Titans the night before. The decorations were great, starting when students entered the school. They walked right into a dark, strobe-lit hallway and then into the leafy-green converted activities center. Thanks to all who helped put the dance together this year - you did an excellent job at turning the school into a mystical, mythological scene.

## That's a Dance!

Dance

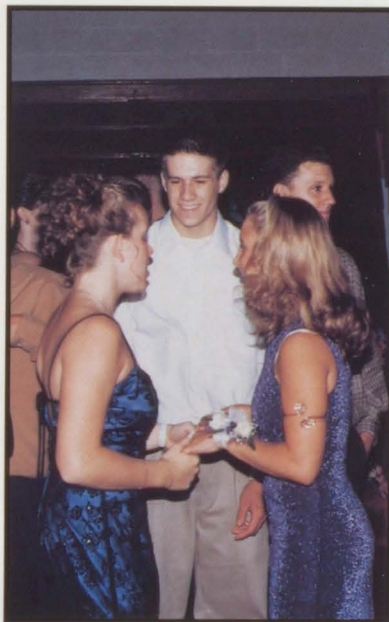

Everyone looking for their date to slow dance with.

Marine City put on a great dance this year with Homecoming 1998! The new freshmen discovered how much fun they can have in high school while the seniors found out just how much they'd miss it next year. The music was great to dance to, and, if anyone got hungry or thirsty, there were drinks and snacks in the activities center. We'd like to give a special thanks to everyone who came to enjoy Homecoming '98!

Another Great Year

The Men in Black pose for a picture before they take the stage.

The 1997-98 Fashion Show was a big success. Every year it rolls in enough money to help out with the cheerleader's competition expenses and eventually buys them new uniforms. A lot of hard work goes into the fashion show each year as the girls prepare to entertain hundreds and get the school ready for prom, but after the work, they get out there and just have fun! The theme this year was Beauty and the Beast with Lauren Ames and Mark Cunah as the main characters. The beautiful dresses were supplied by Ron Lenzions of Port Huron- thanks for another great year!

# Tropical Paradise

# Winterfest

The 1999 Winterfest Dance was a huge success. The theme this year was tropical, and there was a contest for the most tropical costume. Floral shirts and grass skirts were everywhere, and everyone got a lei when they walked in the door. Everyone had a great time dancing the night away in a tropical paradise.

Great job BPA! Officers this year were Joe Webb, president, Sign Kadouh, vice president, Stephanie Jones, secretary, Mariam Kadouh, treasurer, Sam Warwick, parliamentarian, and Heather Kammer was the historian.

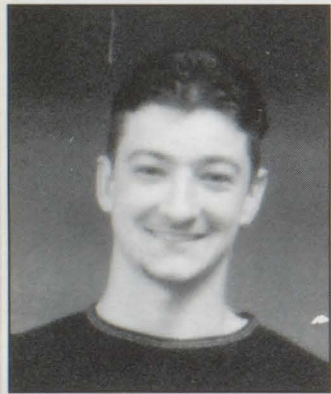

The yearbook staff is an extraordinary group of people. Each year we work hard to produce a book of memories that will reflect everyone in our school. However, putting together a yearbook is never an easy task. Staffers spend countless hours setting up page layouts, taking photos, and talking to coaches. Yearbook staffers are all assigned an average of three pages each deadline along with completing their photo assignments. Each page requires thoroughness and a certain amount of time. When deadline comes around, the pressure really increases for each member. So with our combined efforts we have produced a book which we are all proud of. We hope that you enjoy flipping through each page as much as we have enjoyed putting it together.

Cassandra Markel working hard on making her deadline.

Amanda Ferqueron-Editor:  
Being the 1998-99 yearbook editor and a two year staffer has been a great experience. The class is a lot of fun but also challenging. We all have to work together and have our pages done by the deadline. Our goal was to create a book that the MCHS students can look back on for years to come and laugh and smile about the memories we shared. It is such an accomplishment to see a finished product and know that we started from scratch. I have learned a lot from this class. Good luck to next years staff! Be creative and have fun!

Nicole Markel- Business Editor:  
Being on the yearbook staff for the past two years has been a great learning experience for me. I have come to realize the usefulness of teamwork, persistence, and dedication. Putting together a yearbook requires an excessive amount of all three items! I have also had the chance to experience the personalities of many different people. With new people came new ideas and techniques. I have enjoyed my time as part of two great staffs. We have all worked hard to provide our peers with the greatest book that we could. I hope you cherish these memories as we do. Good luck to future yearbook staffs and remember the sky is the limit.

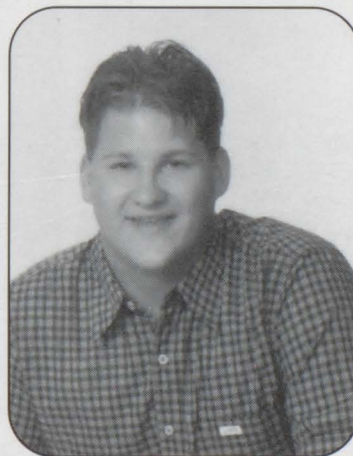

Shannon Tomlanovich- Photo Editor: I have enjoyed being on the yearbook staff for two years. It has been quite an experience. We never seem to have a dull moment. With strict deadlines to meet, it can become very stressful. However, with a great staff and Mr. Bladow as the advisor, everything always seems to fall into place. Good luck next years staffers!

Cheryl Tomlin- Staffer: Being on the yearbook staff was a great experience. I learned how to work with others who are different than me. Being on the staff is about combining everyones ideas as one, working under pressure, and making sure the layouts are sent out on time. Everyone on the staff has different personalities which is good because the book will be read by many different people. Good luck to all the future staff.

Brooke Ladensack- Staffer:  
Being part of the yearbook staff has brought me many challenges and responsibilities. It has given me a chance to feel what it really is like to be under pressure. When deadlines come around, everyone pulls together as a team. This experience has given me a chance to creatively express myself in my work. I have learned a lot from this class. Mostly how hard it can be to work with people who have different opinions. I'm glad I was part of this class. Good luck in the years to come.

Dominik "JR" Brelowski II- Staffer: When I joined the yearbook staff two years ago, I had no idea what I was getting myself into. There were so many ups and downs throughout the years. Being on this staff has given me so much insight on what I will have to go through when I graduate, such as deadlines and making them. Throughout all these good and bad times, we (the staff) have always been able to put out a spectacular yearbook! I wish everyone success in the years to come.

This years marching band has worked very hard all season to put together routine to present to the MCHS student body. They preform at football games and competition. most people consider marching band the same as band, but to the trained eye they are quit different. Marching band not only learns the notes and how to play the also learn how to follow each other in sink, and cooperate as a team. We would like to say thank you to the team and keep up the good work.

# Concert Choir

This years Concert Choir sang their way to the top. The choir as a whole did an exceptional job, as usual. The students worked very hard. It took lots of practice to hit just the right notes. Mr. VanDyke did an excellent job conducting the choir, Congrats!

# Men's Ensemble

This years Men's Ensemble consisted of 15 men and no women, hence the name, Men's Ensemble. This very talented group, preformed well during their concerts and competitions. All this after a few long hours of painstaking practice.

Somehow we managed to catch the Men's Ensemble all just standing around like this.

# Treble Choir

The treble choir at the spring concert.

The treble choir this year is made up of 40 girls. The treble choir practices during first hour. The choir has four performances during the year. The choir performs in fall, winter and spring concerts. Also they go to a Festival at Macomb Arts Center in March. Good Luck at your next performance.

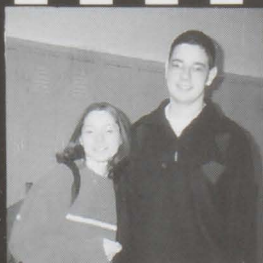

# Chorale

back row: Sean O'Hara, Mike Satchfield, Sean Phillips, Mike Schneider, Ken Satchfield, Mike Tipper.

front row: Sandy Theume, Nicole Bowers, Fawn Armstrong, Amy Sonntag, Lisa Jelsone, Valerie Scott, Amt Tennant, Jennifer Boike, Amy Frantz, Amanda Barowski.

Chorale is composed of sixteen people. Auditions are held in the beginning of the year to fill the spots. Chorale practices after school. Soon chorale will be going to Solo & Ensemble. Chorale is a good learning experience and helps for college. Good luck in future performances.

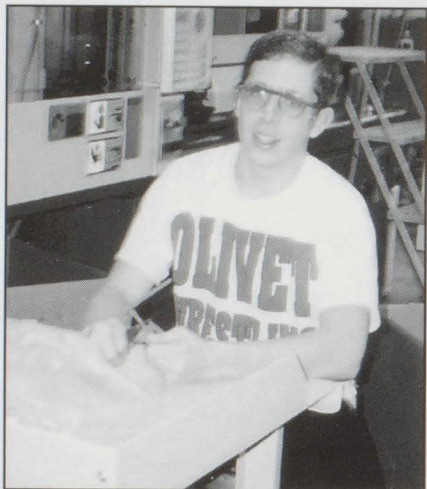

# Tec Center

Opening a gateway to the future

Mark David working hard on one of the machines.

Jason Markel taking a break to show a quick smile.

The Tec Center is where many of our students go each day to acquire a trade that they may someday use outside high school. Juniors and Seniors that attend here learn skills ranging from chefs to learning business skills.

Tec is a program that lasts half a day, students may go to either the morning or afternoon sessions.

Chris Meerdo and Jeremy Drew enjoying a little free time.

Melissa Howard Program:  
Cosmetology  
What do you enjoy most about Tec?

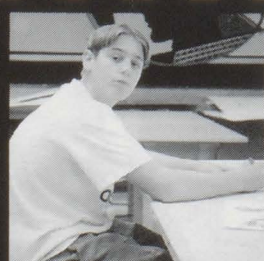

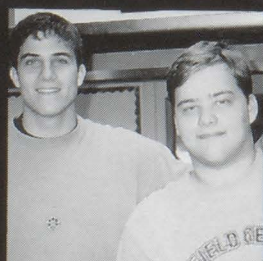

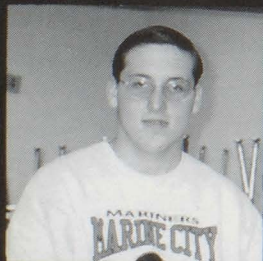

I like it because I'm never bored and I'm always busy. Plus I get the chance to meet new people.

Dawn Demist Program: Involved with the health department  
Do you think it will help you in the future?

Yes, it gets my foot in the door. If its something that I don't end up doing in the future I can always fall back on it.

Adam Busuttil showing off his skills.

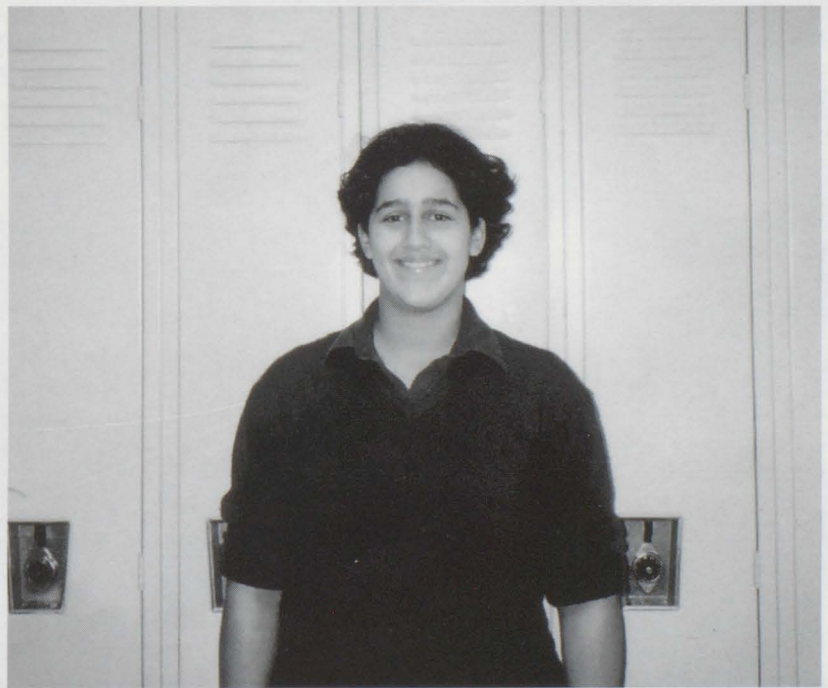

# Exchange Students

This year Marine City High School welcomed two exchange students, Nelie Khorrami from Germany and Yasmin Ghulam from Switzerland. They work very hard to learn our customs and get to know all the new students. One of the only complaints they have is that school begins too early. Marine City is glad to honor foreign exchange students each year because it is a learning experience for us and for the exchange students. This also helps our language programs because our students can have a real live person to learn from. Thank you to everyone that made it possible for our exchange students to visit us. Hope you have an excellent year.

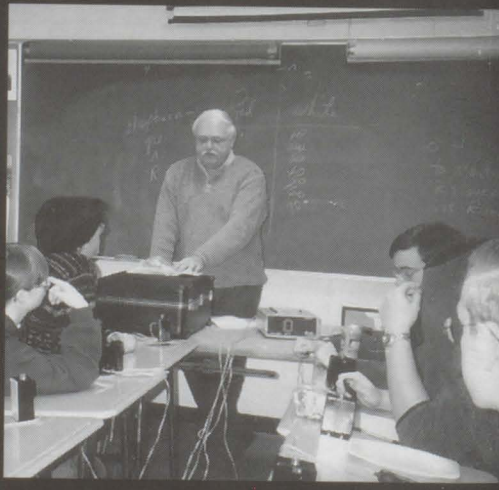

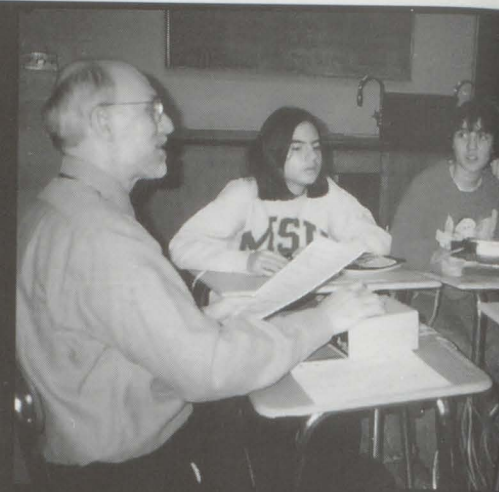

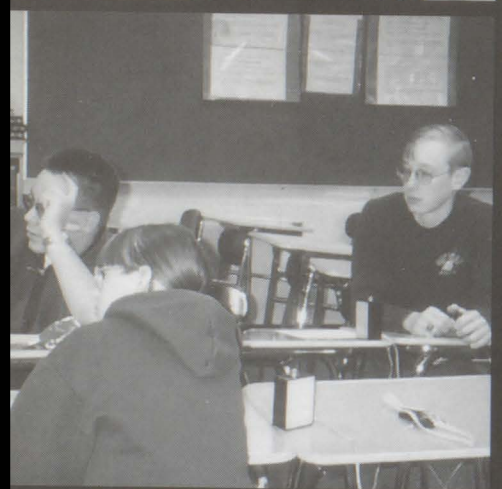

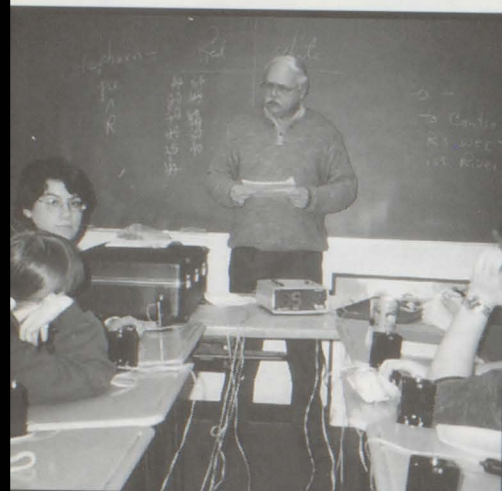

# 20192 BOWL

## Buzzing In

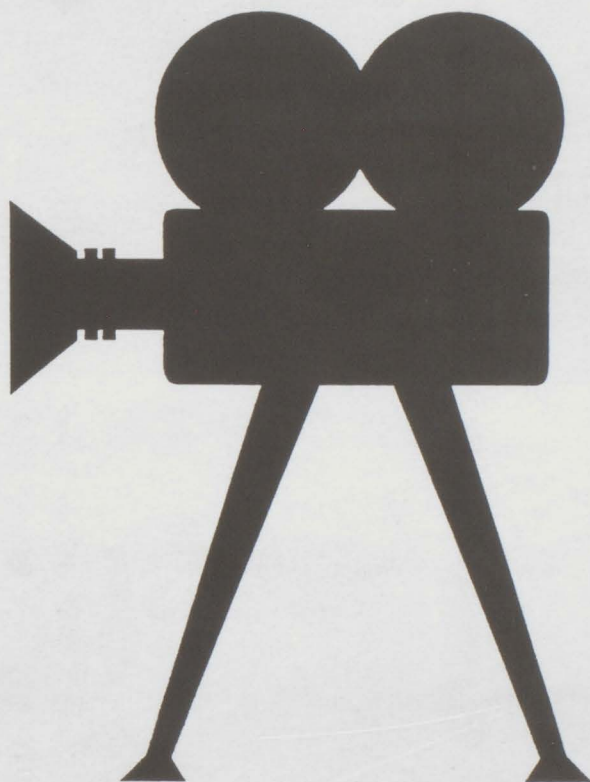

In Quiz Bowl teams are read a "toss-up" question, whichever team buzzes in first gets to try to answer the ten point question first. If they give the correct answerer then they get a bonus question. During the bonus question the team members may discuss the question among themselves before giving the answer. Team members may not discuss a toss up question. If the correct answerer is given for the back-up question the team is given ten points. The game will then continue with another toss up question. There is no penalty for a wrong answer. Ten points are deducted from the team when they buzz in before the complete question is read and the wrong answerer is given. The toughest team this year looks to be P.H.N.. The varsity quiz bowl team consists of Mike Acre, J.R. Breloski, Fawn Armstrong, Tashina Cavasoz, Robert Hiller, Lisa Jelsone, Patty Ramus, Mike Satchfield, Mike Shaw, Aaron Shovan, Nick Tipper, Russ Werner, and Ryan Ruttan. The J.V. team this year consists of Kris Arseneault, Jennifer Boike, Mandy Crothers, Katie Czeiszperger, Theodosia, Davis, Becky DeCaussin, Adele Ernsberger, Katie Frank, Charles Garrison, Chris Jones, Kari Kanner, Katie Phelps, Justin Rehner, Bryant Sebastian, Matt Wissman, and Beth Zahn. The Advisors for quiz bowl are Mr. Depa and Mr. Homberg.

## As We Part

So here we are,  
in the eye of a storm.  
Life closes in on us,  
we are kids no more.

We'll venture out into the world,  
we all grew up so fast.  
But through the years, I know we've made,  
True friendships that would last.

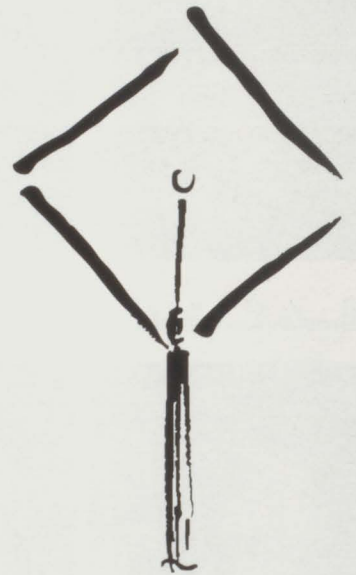

As we part,  
On our last day.  
With tears in our hearts,  
We will all go our own separate ways.

How fun it was,  
The parties a blast.  
Home football games,  
Memories that last.

We'll never forget,  
This wonderful place.  
As in this world,  
New challenges we face.

Good bye for now,  
I'll miss you all.  
Don't ever look back,  
You just might fall.

Being able to be a teacher's aide is a privilege only seniors have. Teacher aides are a big help and are appreciated by the whole staff. Running errands, correcting papers, and making copies are just some of the jobs that teacher aides help out with. At times there is a lot of overwhelming work, and the help is needed. Being a T.A. is a great experience for both the student and the teacher. By the end of the year there is a special bond between the student and the teacher. Giving both the teacher and the student a chance to know each other on a different level.

It was a beautiful August day  
When this precious child came our way.  
She was a child who would not only take,  
But give back much of her "birthday cake"!  
She did not have to resort to noises loud,  
To make her parent's proud.

They knew that Andrea would excel  
In color guards, that she loved so well.  
And not only is her ability the flute to play,  
But she also loves to dance away.

Dancing is something Andrea likes to do  
But it isn't easy when your knees give problems to you.  
Andrea tries not to let troubles get her down  
For she always thinks of her friends and family all around.

Happiness is what she exudes  
To her many friends and family brood,  
Being a loving sister and daughter is not something she takes lightly.  
For she was blessed with this family from the almighty.  
Family is always first on her list, times with them she hates to miss.  
She's committed to college, a teacher to become  
And pass on learning and caring to the young.  
We will miss you on the day when you will go your chosen way.  
But those lucky ones in the future that you meet,  
Will find a person with loving and caring that can't be beat!

ALL OUR LOVE, YOUR PARENTS

## Varsity Softball

Girls varsity softball had a satisfying season this year. Every practice was enjoyable and the girls worked very hard to improve. After each practice they felt as though they had accomplished something. Their most memorable games were the championship Novi Tournament, the District Championship game, and the Regional Championship game. H. Kammer was voted most improved by her teammates. M. Phelan was the captain and also voted most valuable player. The girls played well as a team and really enjoyed being together. Coach Osterland remarked "This was a fun group of girls to coach!" Good Luck Next Season Girls!

## Girls Soccer

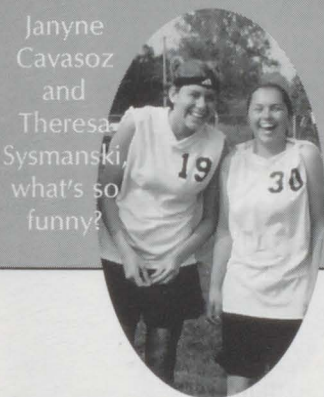

This year's captains, Jennifer Sonnenfeld and Jessica Shultz, led the Girls Soccer team in an excellent season. The team voted Kathryn Walton most improved because of her hard work and ability to learn offense and defense. Aurelia Raicu was also awarded for best offense. Coach Bardoni hopes to see the girls improve even more next season. Good luck girls!

# Girls Cross Country

## In the mud

The girls cross country team of 1998 ran there way into many challenges. They have ambition and encouragement from the xc coach. Which allowed the runners to increase endurance and run strong meets of the 3.2 miles! A congratulations and thanks to all the participants from the xc captains of 98 Brooke Ladensack and Cheryl Tomlin. This page is dedicated to the now retired coach Tim Maxwell.

**The Smart Choice for High School Grads.**

- Launch your college career in arts, business, education, engineering, healthcare, liberal arts, science or social science
- Excellent teachers + small class size = a strong start.
- Top grades earn transfer scholarships to universities.

**Undecided?** Take the basics now. Choose your career and 4-year college later.  
Get advice from trained counselors and advisors.

**College not your plan?** Take a quick path to an occupational career with certified training and apprenticeship programs. Ask about Financial Aid options.

**Want to have fun?** Get involved with campus life in athletics, 15 campus clubs, Phi Theta Kappa, and student government.

**The first step is easy, call 989-5500 for free information or schedule a visit.**

## Shannon Christie Tomlanovich

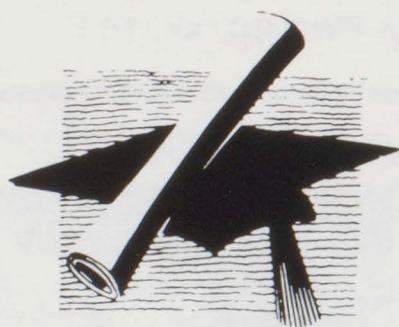

The joy of our life was just  
watching you grow.  
You were our little princess  
all tied with a bow.  
We'd read you the same book  
over and over again.  
And listen to "God Blesses"  
'till you said Amen.  
We'd watch through a window  
as you'd run and play.  
And say a little prayer that  
you'd remember one day.  
That you were loved  
so very much.  
And how we loved watching  
you grow.  
Into who you are today....  
Someone all the world  
should know.

Good

Luck

# Thanks

The 1999 Marine City High School Yearbook was published by the Taylor Publishing Company in Dallas, Texas. A "Thank You" goes out to our Taylor Local Representative, Sam Skis, and In Plant Representative, Pam Ringold.

Prestige Portraits in Royal Oak supplied the film for the yearbook staff. We would also like to thank our Prestige Representative, Toni Brown.

The cost of producing and publishing was accomplished by selling advertisements, parent pages, and yearbooks.

The 1998-1999 staff would like to give a special "Thank You" to Mr. Bladow, the Yearbook Advisor.

I'd like to thank the '99 yearbook staff for coming together to produce a great yearbook. Thank you for all your hard work and a great year!

Amanda Fergueron ✨  
Yearbook Editor
